My voice story:

From 2000 to 2002 I participated as a singer in Coral Encantar, in Aracruz, Espírito Santo, with the conductor Leonardo Davi. In 2007 I graduated with a bachelor's degree in Interpretation from the Performing Arts course at the Center for Letters and Arts at the Federal University of the State of Rio de Janeiro (UNIRIO), where I had from 2003 to 2005 rhythm and singing classes with Professor Helder Parente. From 2004 to 2014 I worked as an actor in prominent stagings in Rio de Janeiro, also with seasons in São Paulo, singing in the shows "Samba Choro e Poesia", in 2005, with text and direction by Maristela Trindade, and "Elis, A Musical", with text by Patrícia Andrade and Nelson Motta and direction by Dennis Carvalho, in 2013. Also in Rio, during the occupation of Teatro Serrador by Alfândega 88, in which I was an actor and producer, I participated of the vocal training with Felipe Habib. Took part in the Coro Baukurs, still in Rio, in 2010 and in 2011, with the conducting of Lina Santoro. In Berlin I did dubbing in Portuguese for the sound finishing of the film "Stefan Zweig – Good bye Europa", by Maria Schrader. In the same city I took singing lessons with Danilo Timm. In 2021, already back in Rio de Janeiro, I did the dubbing in German for the sound finalization of the miniseries "Passaporte para Liberdade", by Jaime Monjardim, co-produced by Sony International and Globo Studios. Since 2022, I perform sound pieces for Beepecrioc Arte and for the Santa Cruz Ecology and Culture Network (REDESCEC). I have taught the Vocal Expression workshop in the Oficinando program, in its last realization at Oficina de Artes & Cia., in Coqueiral de Aracruz, in 2022, the same year since I sing Brazilian Popular Music (MPB) classics in musical shows.
